Taking into account that it may be hard for a group to have the same window of time each week to do a zoom meeting.
I wish we had more visual or videos for the reading or examples for the yellowdigs
Having some lecture material would be nice I tend to learn easier with a lecture on top of readings
Honestly I have no complaints
N/A
Fantastic class, nothing needs to be changed
n/a
I think that just adding a little more detail into what he expects with formatting.
NA
Provide videos in to further explain the lectures
Nothing, they are doing great

Continue keep using yellow dogs to ensure our grasp of the topics and not bad for being the first time online class.
Group projects were engaging and created an experience not typical in online classes which was nice.
All of them. Professor is doing a great job
N/A
group work is great offers you a chance to talk to classmates and be present
Everything was great! I liked the structure and the instructor was very understanding.

I think adding questions to help us and send us emails about how we've been doing well is something he should keep doing.
Everything is laid out very coherently and is easy to understand.
One practice that I do like are the group projects, with the right people it can stimulate learning.

Everything!
continue being awesome
I think he has a very good class structure with clear guides
I like that he easily communicates with students and is reachable. He makes assignments easy to understand with clear instructions. I appreciate he takes accountability when he may confuse students or make a mistake.
Everything was good.
I like the group assignments.
I think Professor Hongqiang did a great job structuring the class, grading, and providing help when needed. I have no complaints
